<b>TAD Evolution M2500/C2000</b> - Stereo 250w/ch amplifier - pre-amplifier w/DAC (best clock!)	\$53,000	\$25,000	Demo units with less than 200 hours of total play time with full warranty! MoFi was able to negotiate a special deal on eight sets of these beauties. This is the last set!
<b>Unison Research Performance Anniversary</b> - 45w/ch single ended integrated amplifier	\$14,999	\$9,000	Demo unit with full warranty. Absolute stunner! We only have room for one (Sinfonia or Performance) in our showroom!
<b>Opera Loudspeakers Grand Callas</b>	\$12,600	\$8,000	Demo units in a stunning high-gloss walnut as only the Italians know how to do! These large floor-standers have dual 8" woofers, woven-poly midrange, and seas tweeter on the front and dual ambiance tweeters on the rear. These speakers have the rare combination of power, detail, ease-of-drive, and musicality. The scale has to be heard to be appreciated. It partners wonderfully with the Unison research amplifiers.
<b>Unison Research Sinfonia Anniversary</b> - 28w/ch single ended integrated amplifier	\$7,499	\$5,500	Demo unit with full warranty. Upgraded power supply, tubes, and chassis
<b>Quad QSP</b> - 140w/ch solid state power amplifier	\$1,599	\$900	Discontinued demo unit. Amazingly pure-sounding power amplifier that features Quad's "current-dumping" technology. The sound compares with much more expensive amps!
<b>Opera Loudspeakers Seconda</b> Floorstanding Speaker	\$4,000	\$2,000	We were able to score a special deal on four pair of these Italian beauties! Cherry side panels and leather wrapped front baffle. 2.5-way cross-over awith dual 7" Scan-speak woofers and a scan-speak softdome tweeter in a sealed enclosure. We showed these at the 2014 Brooklyn Audio Show and received great press from Stereophile, Absolute Sound (Best Sound for Money!), Wired, and more! We are selling as b-stock, although you will be hard pressed to find anything wrong with them!
<b>Thorens TD 295</b> Semi-Automatic turntable	\$1,200	\$700	Demo unit. Very low hours! Beautiful mahogany plinth paired with technical finesse and satisfying sound!
<b>Unison Research Simply Italy</b> - 12w/ch single-ended integrated amp	\$3,000	\$1,500	Long term Class B rating in Stereophile. Incredibly pure-sounding Italian goodness!
<b>Wharfedale Diamond 230</b> Floorstanding 2.5-way speaker	\$799	\$500	Demo unit. Walnut finish. Dual 6.5" woofers, soft-dome tweeter w/waveguide, and 2.5 cross-over. BIG sound with great tonal neutrality and excellent bass!
